

REFUGEE: A Tribute to Tom Petty and the Heartbreakers

The look is authentic. The music is authentic. The performance is live.

DFW, Texas — 2026 — Refugee is a five-piece live band dedicated to capturing the sound, spirit and energy of Tom Petty and the Heartbreakers — without wigs, costumes or gimmicks.

The band features the classic Heartbreakers configuration of lead vocals and guitar, lead guitar, keyboards, bass and drums, allowing the music to be performed the way it was meant to be heard.

What sets Refugee apart is simple: **the look doesn't have to be manufactured.**

The musicians naturally bring the appearance and stage presence audiences associate with the Heartbreakers, but the real focus is the music. **Every guitar part, keyboard line, bass line, drum part and vocal is performed live onstage by the five members of Refugee.**

No wigs. No costumes. No backing musicians. No shortcuts.

Just five musicians who love the music and are committed to performing it with the authenticity it deserves.

From the early Heartbreakers classics to the songs that made Tom Petty a household name, Refugee delivers a high-energy concert experience that celebrates the depth of Petty's catalog while capturing the attitude, sound and spirit that made Tom Petty and the Heartbreakers legendary.

“We don't dress like the Heartbreakers. We sound like them — and happen to look the part.”

For venues, festivals, casinos, theaters and private events looking for a professional Tom Petty experience, **Refugee delivers the music live, faithfully and with the respect it deserves.**
